

Jefferson County Genealogical Society 50/50 Book Purchase Agreement

In order to enhance the material available to our members at the JCGS Library, I wish to participate in the 50/50 Purchase Program. I understand that this program applies only to items that are to be purchased, not those already in my possession.

If approved, I agree to pay ½ of the cost, including tax and shipping charges. I understand that after it is cataloged I will have the privilege of checking it out for 6 weeks before it is placed on the library shelves.

Information from member:

I request that the library purchase the following item:
